Who are the Centennial Airport Lions?

Since 1917, Lions clubs around the world have worked to take care of the blind, visually impaired and others in need.

On 9/17/1964,, **Centennial Airport Lions** was established as a 501c4 service organization that believes in the importance of building community and serving those in need. The club actively participates in both fundraising and community service projects:

Annual Fundraisers - Lion Gil Utterback Charity Golf Tournament in August or September and the Friday Lunch Cookouts which are held just east of the Air Traffic Control Tower from mid-May through September.

Community Service Projects - Used Eyeglass collections & processing, Building Desks for Students, Bookcases for Seniors, Masks for the Homeless, 365 Health, Kidsight screenings, Challenge Air for Kids, Food Baskets for needy families, Lions Camp Cleanups, Food Collection for the needy and Fourth Grade Foresters projects. We also help to fund glasses or eye surgery for those in need and sponsor 3-4 campers each year and the training of several guide & service dogs.

Please join us!

We meet for lunch on the 1st & 3rd Thursdays of each month at noon on the second floor of the Family Sports Center at 6901 S. Peoria Street.
